GOLD KING MINE SWERLO EMERGENCY CONTACT LIST.doc

John-

Here's a SWERLO contact list for Gold King Mine, per Stacey's request. Do you want to delete or keep the emergency contact for each of us?

Stacey wants to have a list of the staff working on the Gold King Mine, and their home and cell phone numbers, since urgent issues may come up when folks are not in the office. Do you have home and cell phone numbers for Lee, Jim, Charles and John?
